MUSTIKA INDAH KERAMIK

<https://mustikaindahceramic.com/>

ABOUT US

Mustika Indah Ceramik has been crafting high-quality terracotta pottery since 2001. With over 20 years of experience, we specialize in various pot and vase sizes, from mini to large, and create unique designs by combining terracotta with natural fibers like mending and rattan. We offer customized products tailored to our clients' ideas, consistently focusing on quality and customer satisfaction.

VISION

We intend to introduce pottery worldwide with excellent quality that could be trusted by consumers, as well as giving the best for them.

MISSION

1. Focus on using clay as the primary raw material and aim to introduce the products to a global audience.
2. Continuously innovate by developing new products and providing added value and benefits for employees.
3. Emphasize creative thinking and actions to attract and retain consumer attention.
4. Promote pottery as an eco-friendly option and prioritize excellent service to ensure customer satisfaction.

VISION & MISSION

MEET THE TEAM

We are committed to equality, ensuring that every individual—whether young, elderly, or living with a disability—has equal opportunities in the workplace. We do not practice any form of discrimination when hiring employees. As in our production team, we have individuals with disabilities. The majority of our team consists of middle-aged women from the local community, reflecting our strong belief in women's empowerment. By hiring locally, we also contribute to the economic growth of the area.
